It has been over 2 weeks since our request and we still don't have the PO info from you.

This is yet another reason why it makes no sense for delphi to attempt to advance the briefing schedule when we still don't have this basic info you were suppose to provide on sept 7 in your proposed amended complaint.

Eric, are you able to get us the purchase orders, or at least the PO numbers?

Eric, in follow up to our call, are you able to provide a list of purchase orders for the transfers covered by your amended complaint?

The schedule in your amended complaint only lists releases and, given the passage of time, it is very difficult for MSX to tie the releases to specific POs.

It would be great if we could get the PO numbers in the next few days .
Thanks.

Bill
